Principal's Report

We will have holding our first Halloween parade this year. All grades will be allowed to dress up and walk in the morning parade. There are some thoughts to make the November 1 Friday assembly very quick and possibly a PJ day since the previous day will have the parade in the morning.

Ms. Welsh's wedding will be held in November. She will be out for only a few days and then back and school.

Budget

We did very well with the Annual Fund Drive this year. The percentage of participation was up which is good since the student body count is down. This year will be an adjustment as we see what our new budget will be with the lower student population.

Board Reports

Treasure's Report – Sending report with the budget report that has more of a division. The pledge report is closing tonight at midnight and then they are going to. When you look at the YES fund report they are not including monthly dollar amounts into those totals. Library has been included as part of the budget 3754 which is used to buy books and supplemental items.

Mrs. Wilson has been given a grant last year of \$5000 and they used those for campus beautification. We have added an allocation to her to repay the grant that she used last year One time \$4000 donation to Mrs. Wilson to help setup her classroom. Motion was made and seconded. Vote passed Unanimous.

Kirby needs \$1000 for new balls for the playground. Motion was made and seconded to grant the school the money for the new pa. Vote passed Unanimous.

Motion was made to add a yearly stipend for about 7.5 teachers . Reading, 3 Special Ed, Speech, Psychologist, PE, OT, \$250 per teacher total would not exceed \$2000. For this year Mrs. Wilson would not be included as she is getting the other stipend for this year.

Committee Reports

Prior Event Reports

Book Fair – Book Fair was very successful again this year. We grossed a little under \$22,000 of which Scholastic takes 40%. For this fair we left all of our funds in Scholastic dollars since we receive a one to one ration for those dollars. Some of the items that we use those funds for are about \$8500 for all the magazine subscriptions that the students use in the classroom. Fall numbers this year are slightly down but we have 90 students less so again the per student average was actually higher.

Upcoming Events

Halloween Grams – Halloween Grams are going to be up on Pay4School Stuff. They will be selling them before and after school Oct. 22-25. They will also be selling at Trunk or Treat. Teachers will distribute them on Oct. 30 or 31. If you buy your grams online they will fill out the cards for you and you will not have to fill out.

Trunk or Treat – We will be selling pizza and food this year so there is something else to eat except candy.

Directoy Spot – Is currently down as we make sure that we are going to be using that service. We are weighing a different option to see if it would be a better match.

Shade Structures – There has been some interest in finding some temporary shade structures for various events at school. We will look into the different options and the number of tents that might be required across campus. It was decided that we would have a committee look into the feasibility and come back with more details.

Ms. Welsh's Wedding Fund – The PFA has setup a donation fund for Ms. Welsh. We will be pooling all funds since they are asking for donations to help fund her honeymoon.

PFA Picture day - PFA Picture day is this Thursday. Please come as all parents are welcome.

Next Meeting

Next Meeting is November 12.

Meeting adjourned at 6:42 pm.
