### Principal's Report

---

We have hired a new media center coordinator and librarian. She has already integrated several new ideas. The library is now open at lunch and recess for students. She has integrated some fun new programs including adding game time into the library. Library is now open 5 days instead of 4 so kids get full access to all the books they want. The next Coffee and Conversation is Thursday 16th at 8:30 am. It will feature the Dean of School Safety & Wellness, Ryan Correia. Mr. Correia came and last week and did some safety training with the teachers. This talk will focus on school safety and will be a Q & A format to help answer any questions that the parents might have. He will also be present at the April 7<sup>th</sup> PFA night meeting to talk about Vaping and tobacco in the up coming school years. For the 100<sup>th</sup> day of school we will need shoe boxes for the event. Please bring them in to school prior. Ms. Donna will be retiring in March after 14 years so we are currently looking to hire a new office manager.

### Budget

---

Treasurer Report – Nothing new to report.

---

### Committee Reports

---

#### **Past Events**

Boutique – Wonderful turnout for this year. We had 33 vendors this year and raised about \$8000 for the school.

#### **Upcoming Events**

##### Family Fiesta Dance

The family dance will be on Jan. 31. We do need volunteers for all aspects, decoration, cashier, and cleanup. All students must be accompanied by an adult. Pricing will be \$70 for 1 adult and child, each additional child is \$30, each additional adult is \$40.

## Step it Up Kickoff

The kickoff event and assembly is on February 5<sup>th</sup>. The golden ticket will be after dismissal on Feb. 6<sup>th</sup>. The actual event will be held on March 13.

## Spirit Wear

The new winter run for spirit wear has closed. For this run we have ordered a set of clothes to sell in person.

## **General Issues and Requests**

2 volunteers were present to talk about the new Measure B that will be showing up on the March 3<sup>rd</sup> ballot. Measure B will be used for funding for major repairs for our schools. Repairs like HVAC system, security, roof. \$20 / \$100,000 assessed value. There is some concerns that not a lot of people will not show up to vote so they are hoping that a lot of people will be there they need 55%. Wednesday, Feb. 19, will be Round Meadow's phone bank night for anyone that wants to show up to help educate the public on the bond. There will also be a chance to help send out postcards and text and call friends.

There is a major concern about morning traffic. It is suggested that parents privately tell Mrs. Brock about any incidents that they might see or call the Sheriff's office to report anything that is dangerous.
